

Dropdown

A drop-down menu with options. Only one option can be selected. This can help save space on a data form if there are many different choices to display.

The screenshot shows a form builder interface. At the top, there is a toolbar with icons for editing (pencil), deleting (trash), adding (plus), and a red 'X' icon. To the right of the toolbar, the text 'Variable: drop_down' is displayed. Below the toolbar, the label 'Drop Down' is shown in bold. To the right of the label is a dropdown menu with a white background and a small downward arrow on the right side.

Choices:

- 1, option 1
- 2, option 2
- 3, option 3
- 4, option 4
- 5, option 5
