

Signature

The Signature field allows users to scribe their name using a tablet or mouse. The Signature is saved as a .png file and is downloadable.

The image shows a software interface for a signature field. At the top left, there is a toolbar with icons for a pencil, a document, a green checkmark, a plus sign, and a red X, followed by the text "Variable: signature". Below this toolbar, the word "Signature" is displayed in a bold font. On the right side of the field, there is a button with a green plus icon and the text "Add signature", which is highlighted with a red rectangular border.
