In the Shared Library, you can browse and search through a collection of data entry forms that have been uploaded by other users. Some forms may want you to agree to a "Terms of Use", which requests that you do not claim any of their forms as original work.

- Go to **Project Setup**

- Click on **Online Designer**

Not started

I'm done!

**Design your data collection instruments**

Add or edit fields on your data collection instruments. This may be done by either using the Online Designer (online method) or by uploading a Data Dictionary (offline method). Quick links: [Download PDF of all instruments](#) OR [Download the current Data Dictionary](#)

Go to  Online Designer or  Data Dictionary

You may also browse for pre-built data collection instruments in the REDCap Shared Library

Have you checked the [Check For Identifiers](#) page to ensure all identifier fields have been tagged?

Click **Import**

**Data Collection Instruments**

**Add new instrument:**

- [+ Create](#) a new instrument from scratch
- Import** a new instrument from the official [REDCap Shared Library](#)
- [+ Upload](#) instrument ZIP file from another project/user or [external libraries](#)
