Main project settings

Use surveys in this project? [?](#)  [VIDEO: How to create and manage a survey](#)

Use longitudinal data collection with defined events? [?](#)

- Click here to find out more about **Enabling a Survey**.
- Click here to find out more about **Longitudinal Data Collection Events**.

Good Practice

It is good practice when creating a new project to use this page as a guide to building your project. As you complete each section mark it as completed.
